

Specifications

NKLA86

- * Stroke Length: 25~350mm
- * Color: Black
- * Limit Switch: Switch at both ends
- * Duty Cycle: 10%, max 2min continuous use
- * Standard: CE
- * Load: 800~4000N
- * Speed: 6~42mm/s
- * Operating Temperature: -5°C~+40°C
- * Input: DC29V
- * Installation Size: S+150mm
- * IP Grade: IP42
- * Relative Humidity: 20%~75%
- * Option: Various power supplies and hand controllers can be configured
